

THE COLLEGE UNION.

The last sitting of the COLLEGE UNION for the Session 1925-26 was held in the Library-Hall, on the 12th April at 1 P. M., the day on which the College closed for the Long Vacation. The attendance was full. There was no reading of papers and no music, the hour being unsuitable for all these. The formal business of electing the Honorary Secretaries for the new session was gone through. Prof. Satyananda Roy (Arts) and Mr. Indranarain Mukherji (Science) were elected unanimously. The members then parted after according a hearty vote of thanks to the outgoing Secretaries, viz. Babus Pratul Chandra Ghose and Balai Chand Ghose, as well as warm congratulations to the incoming Secretaries.

The first sitting of the COLLEGE UNION for the current session was held on Saturday, the 17th July at 7 P. M. in Room No. 4. The attendance was by no means as large as could be expected, considering that the members met together for the first time after three long months. A highly interesting paper was read by Prof. Nripendra Chandra Banerjea M. A. in which he gave the audience an account of how he came to join the Non-co-operation Movement and his subsequent experiences. The audience listened spell-bound for over half an hour and when he had finished they extorted a promise from him that at future sittings he would delight them with fuller accounts of his experiences. After this, another interesting paper on *Panchali literature in Bengal and the poet Ananda Chandra Siromoni* was read by Pandit Bhababibhuti Bhattacharjee M.A. After this the members were treated to a sumptuous repast for which the new Secretaries deserve credit.

The COLLEGE UNION held its second sitting for the current session on Saturday, the 21st August at 7 P. M. in Room No. 4. The attendance was fair. More than an hour and a half was

devoted to the election of members to form the Managing Committee of the Provident Fund, after which our old friend Sjt. Rakhal Chandra Bhattacharjea and our colleague Sjt. Nani Gopal Mukherjea favoured the company with some entrancing songs. The party dispersed at a pretty late hour of the night after doing full justice to a pleasant variety of dishes hospitably provided by the new Secretaries.

The third sitting of the COLLEGE UNION came off on Saturday, the 18th September, at 7 P.M. The attendance was very thin, probably because most of the members were ill or otherwise indisposed. A highly interesting paper was read by Professor Nripendra Chandra Banerjee M. A. after which the members were treated to a pleasant repast.
