## THE MONTH.

The College will close on Tuesday the 8th October on account of the Puja Vacation and re-open on Thursday the 7th November. In accordance with our usual practice there will be no issue of the Magazine for the vacation month of October, and the November number will succeed the present number in due course.

The University Examinations of 1919 will commence on the dates mentioned below :—

*Matriculation* :—March 3rd (Monday).

*Intermediate* :—March 18th (Tuesday).

*B. A. & B. Sc.* :—April 3rd (Thursday).

---

Several more candidates have been declared to have passed the Intermediate Examinations in Arts and Science held in March 1918. 4 have passed the I. Sc. Examination, 1 in the First Division, and 3 in the Second Division; and 7 have passed the I. A. Examination, 1 in the First Division, 4 in the Second Division and 2 in the Third Division.

*J. A. G.*

We had the pleasure of recording in our last issue that three more candidates have passed the B. A. Examination. We are glad to hear that another trio has passed the B. A. Examination on a re-consideration of their cases. The fortunate trio includes one of our students, N. K. Balaram Kurup. This brings up our total of passes to 65. We congratulate our young friend on his success and wish him a prosperous completion of his academic career. He intends to join the post-graduate classes with a view to qualify for the Master's Degree in Botany.

---

We understand that '*A Legend of Montrose*' has been prescribed as an alternative text-book with Gregory's *Discovery* for the ensuing B. A. Examination. It is a distinct boon to the plucked students who had this Novel of Scott's included in their Course at the last Examination. It is however a thousand pities that the Arts Students who will take up this alternative text-book will miss the rare opportunity that had been offered them by the University, of familiarising themselves with the aims and methods of Science and of thus widening their outlook !

*The Football Team of Krishnath College, Berhampore, is expected to come down to Calcutta on the 29th instant and play a friendly match with our Team.*

### POETIC LICENSE.

The Librarian, to whom all contributions to the Magazine are to be sent, has recently received the following letter enclosing a poem written in Bengalee. The letter is a study in itself and we have therefore considered it to be worth printing in preference to the poem forwarded. We understand that it is the achievement of one of our freshmen. May we not consider it as a beautiful example of POETIC LICENSE ?
