THE COLLEGE UNION.

The last sitting of the COLLEGE UNION for the session 1924-25 was held in the Principal's room, on Thursday the 9th April at 1 P.M., the day on which the college closed for the Long Vacation. The attendance was full. There was no reading of papers and no music. The only business of the meeting—that of electing the Hony. Secretaries for the new session, was formally gone through. Mr. Pratul Chandra Ghosh (Arts), and Mr. Bolai Chandra Ghosh (Science) were elected unanimously. This business over, light conversation followed which was succeeded by light refreshments, the Principal very kindly paying the costs. One noticeable feature was that not only the teachers but also some students who were lingering outside heartily took part in the last named business! The members then parted after according a hearty vote of thanks to the outgoing secretaries as well as hearty congratulations to the incoming secretaries.

The first sitting of the COLLEGE UNION for the current session came off on Saturday the 18th July at 7-30 P.M. in Room No. 4. The attendance was much larger than usual—a rather hopeful sign for the new session! No paper was read,

but the members engaged themselves in delightful chats. At times their conversation turned on University affairs and current politics, so that no necessity was felt for the intellectual entertainment of the reading of a paper. Next the audience were treated to delightful songs for which our thanks are due to Mr Raichand Boral (son of late Babu Lalchand Boral) and his friend—Mr. Anukul Chandra Das, our old friend Sj. Rakhal Chandra Bhattacharyya, and our worthy colleague Sj. Nanigopal Mookerjee. The company then adjourned to the dining hall, where the menu was splendid—all credit to the new Secretaries! If the morning really shows the day, we may well be assured of the success of the Union under the able management of its new Joint-Secretaries.

The *College Union* held its second sitting on Saturday the 22nd August in Room No. 4 at 7. 15 P.M. The attendance was fair. The proceedings commenced with the election of office bearers for the Managing Committee of the College Provident Fund. This business over, a lively chat followed after which the members were treated to excellent music by Sriman Sham Kumar Ganguli—a boy of twelve only whose skill in handling the সেতার and making it speak was simply charming. He was assisted in his performance by his elder brother (18 years old), and the two kept the audience spell-bound for more than an hour. We heartily thank the brothers for the care they had to take, to entertain us on this happy occasion. The music over, the members retired to the dining hall and did full justice to the sumptuous repast served there by the Secretaries. They then parted after according a hearty vote of thanks to the secretaries who are sparing no pains to make the Union a success.
