Botanical Excursion to Shillong.

AMIYA KUMAR ROY.

4th Year B.Sc.

The senior students of Botany had a very pleasant and successful excursion to Shillong in April last. It was the untiring energy and efforts of Professor A. Das Gupta that awakened in our minds a passion for the study of Bengal plants. Though advanced in years he carries in his mind and body the vigour and vivacity of a youth, and he is both a great teacher and a loving friend of students. Our beloved Principal, who is perhaps the youngest of all Principals in the world, and is naturally in full sympathy with youthful aspirations and adventures,
