THE ECONOMICS ASSOCIATION.

With the advent of the present year, 'The Bangabasi College Economics Association' enters into the fourth year of its existence. The senior B. A. students, who are going to sit for their forth-coming Degree Examination, have discontinued attendance at College and have in consequence left this infant Association to our rough care. Inexperienced as we are in this sort of nursing, we shall try our best to discharge the trust placed in our hands. We pray to Heaven that a long and happy life full of prosperity and usefulness may be granted to the tender nursing.

The work of the Association could not be resumed before February on account of the heavy bereavement which our beloved Professor Mr. Debendranath Mukherjee, the founder-President of the Association
