

however, did not flag, academic topics forming the main theme. Professor Dhirendrakrishna Mukherjee was to read a paper on the Indian Renaissance, but as he felt reluctant to interrupt the brisk conversation the audience missed the interesting paper very much. A sumptuous repast gave the finishing touch to the pleasures of the evening and the company left at the proper hour for retirement.

The *seventh* sitting of the COLLEGE UNION for the current session came off on Saturday the 28th February at 6-30 P. M. Our revered Principal and the veteran Professor S. J. Kalidas Mallik graced the occasion with their presence and there was a slight improvement in attendance. The main item of business at this sitting has been recorded in the Notes. We may add that the party dispersed at the usual time after having partaken of a square meal amidst lively talk.

THE COLLEGE UNION held its *eighth* sitting for the current session on Saturday the 28th March at 7 P. M. in Room No. 4. The Principal was unavoidably absent, the attendance was very poor, there was no music and no reading of papers—a blank outlook every way. There was lively conversation, however, and it was followed up by a sumptuous repast—and these two items made ample amends, we presume, for all the shortcomings recorded above.

## The Canning Hostel.

The last sitting of the Canning Hostel Association of this session was held on Sunday the 29th March 1925.

Our revered Professors S. J. D. R. Banerjee and R. K. Majumder accompanied by our beloved President Prof. S. Roy, graced the Association by their encouraging presence and they were hailed by the students. Our friends who are going to leave us after appearing at the I. A. & I. Sc. Examinations heartily joined us.

Then the Secretary read his report as follows:—

Honourable President, venerable Teachers and dear brethren,

Since a long time it was in the mind of some of our energetic and enthusiastic friends to start a Debating club in this hostel for the advancement of knowledge, for the growth of fellow-feeling amongst the boarders of this hostel and for many other advantages which it brings in its wake. But owing to some disadvantages this idea could not be carried out. At last by the grace of God and through the sympathy and good-will amongst ourselves we were able to start the Association with Prof S. S. Roy as its permanent President. On every Saturday the meeting was held and all the boarders joined it whole heartedly to enjoy the benefit of it. Now the time has come for us to part from one another at least for a period of three months. So let us pray God to grant us new vigour and energy to make us all work hard for the improvement of this Association and its objects, when we meet again after the vacation, accompanied with our new friends. Again, let us embrace one another with warm hearts and look forward to re-embrace one another after the vacation. We also pay our highest tribute of gratitude to our beloved President for the kind sympathy he has shown in encouraging us.

Then after a fine speech of the President, the meeting terminated with light refreshments and a musical entertainment at about 10 p.m.

SRIS CHANDRA DE,  
(3rd, year B. A. Class).
