

THE COLLEGE UNION.

The **College Union** held its last sitting for the last session on the 12th April, the day when the College closed for the Long Vacation. A very pleasant function took place on this day when the members of the College Union presented the Principal with a beautiful fountain pen and wished him long life after his recovery from his serious illness. After the Principal had fitly replied, two Joint-Secretaries of the Union for the current session were elected. On the motion of Prof. J. N. Chakravarti, Professors Mallinath Mukherjee (Science) and Pyarimohan Sen Gupta (Arts) were unanimously elected Secretaries of the **Union**. Cold drinks and light refreshments were served before the members finally dispersed.

The first sitting of the **College Union** for the current session took place on the 28th July last. In the absence of the elected Secretaries (Prof. Mallinath Mukherjee having left College and Prof. Pyarimohan Sen Gupta being confined to bed on account of illness) Professors J. N. Chakravarti and S. Roy volunteered their services in order to make this sitting a success. In place of Mr. Mallinath Mukherjee, Mr. Mukunda Lal Chakravarti was duly elected. After a sumptuous repast the sitting came to an end.

The **College Union** met for the 2nd time on the 17th August in the Library Hall. As much of the time was occupied with the proceedings of the Annual General Meeting of the Provident Fund, no papers could be read though two members of the Staff had articles in their pockets. After a bumper feast (for which credit must be given to the newly elected Secretary Mr. Mukundalal Chakravarti), the members went home late at night.
