

## ECONOMICS ASSOCIATION.

The sixth sitting of the Association came off on the 13th November, 1926 with Prof. D. N. Mukherjea M.A. B.L. on the chair. The attendance was rather thin.

The Secretary Sj. Hira Lal Sarkar spoke a few words by way of introduction regarding the Association. He declared the sitting to be the last meeting of the Session under his guidance and in conclusion expressed a hearty wish for the future growth and development of the Association in capable hands.

Though no essay was selected at the last meeting a very interesting and appreciative paper was read by Sj. Jogendra Lal Mitter, under the heading of "Swaraj", and as the name suggests it suited the meeting unquestionably. As a critic I would like to say that it lacked finish; but the essayist deserves our warm thanks for his courage and enthusiasm.

The subject being an important one, there followed a lively discussion in which many members readily took part.

The President in winding up the debate spoke a few words regarding the welfare of the Association.

He reminded us that this was the last meeting of the Association for the present Session, and he paid a glowing tribute to the workers of the Association whose co-operation made it a success. He eulogised the activity and enthusiasm of Sj. Hiralal Sircar who had ably conducted the Association as its Secretary, and he was sorry that he was going to part with all the workers whose absence he would feel keenly.

Turning to the essay he explained the meaning of the term SWARAJ at the outset and then freely discussed the subject with occasional suggestions for the final solution of the problem which, he declared, greatly suffered due to communal feeling and socio-economic bar of the country.

In conclusion I earnestly appeal to my 3rd year friends to take up the work of the Association and to make it a great success.

HOSTEL AND MESS NOTES

The eighth anniversary of the Canning Hostel Union was celebrated on 25th September, 1926, under the presidentship of Sir Devaprasad Sarbadhikari. It was under the Vice-chancellorship of Sir Devaprasad that the foundation stone of the Canning Hostel was laid, and in choosing him to preside over the anniversary of the Canning Hostel Union this year, the boarders chose to pay their respects to a man who has always taken a keen interest in the welfare of the student community. Principal G. C. Bose and many other members of the College staff graced the occasion with their presence. Many old boarders of the Hostel were also seen to shake hands with their new friends who had taken temporary lodgings in their old dwelling-place. The sweet memory of the past must have risen in their minds as they saw the same hall paraded by young enthusiasts who left no stone unturned to make the gathering a success.
